

## **FUN... FASHION & FRIENDS!**

### **Working Together... Your Jewelry Show Will Be A Great Success!**

Your friends are going to have so much FUN!!

#### **Here's a great tool to use when inviting your guests to your show...**

Hi, \_\_\_\_\_ I wanted to tell you about this FUN Premier Designs party I went to! I had so much FUN I decided to have one myself and I wanted to invite you!

\_\_\_\_\_, my Premier Jewelry lady, will be bringing all of her beautiful designer inspired pieces. She's going to show us all the latest fashion trends and accessory tips for the new season. It's going to be such a FUN "Girl's Night In!", and you are going to LOVE how incredibly affordable it is!

I'll have refreshments, and we're going to have a GREAT time hanging out, playing in jewelry, and shopping! I hope that you can come!

The date is \_\_\_\_\_ at (time) \_\_\_\_\_. There is an added discount, and chance to win a free piece of jewelry if you bring a friend so feel free to invite more! (Mention her friend's name if you know it!)

#### **WHAT TO SAY IF THEY CANNOT COME:**

I'm so sorry you can't make the party! It won't be the same without you! Premier has a beautiful catalog if you would like to take a look and place an order. You can also host a show of your own if you wish! You can get **your** wish list free and half price! I'll come if you host one!
